## **Home Food Inventory**

Look in areas in your home where your household stores food, including the refrigerator, freezer, pantries, cupboards, and other storage areas (list follows in that order). Please check "yes" or "no" to each of the food product/item/category below. Check "yes" to a food product/item/category if it is present anywhere in your home (opened or unopened) as you are completing this form. Check "no" to a food product/item/category if it is not present anywhere in your home as you are completing this form.

Lower fat products will be labeled as "reduced-fat," "low-fat," "light," "nonfat," or "skim" on product and can be interchangeable.
